Valley Camp.....a place set apart

A Quiet Place...

Valley Camp, a 52 acre retreat, is nestled at the base of the towering peaks of the Middle Fork of the Snoqualmie River valley. The setting offers the peacefulness of the outdoors with the beauty of the mountains, trees, meadows, and streams with deer often grazing nearby.

The Gift...

Since God has seen fit to bless this place with abundant natural beauty, it is fitting that we might learn to know Him better through Christian fellowship out of doors. Our closeness to God can be enhanced by a closeness to His creation in which we nurture our Christian faith and provide experiences connecting the Word of God to the world of God. These blessings were given to us with a divine purpose: let us care for them wisely.
